Instructions for Use

This Utilization Review Guideline is designed to provide guidance for the adjudication of claims for United Healthcare Medicare Advantage Dental Plans, and includes only the CDT codes for which clinical documentation is required with related links to the policies and coverage guidelines approved by the Dental Clinical Policy and Technology Committee. Specific plan coverage, exclusions or limitations of the Level 1, Level 6 F, Level 6 S Platforms and Platinum Riders will supersede these criteria. UnitedHealthcare reserves the right to modify its Policies and Guidelines as necessary. This Utilization Review Guideline is provided for informational purposes. It does not constitute medical advice.

Notes:

- For a full listing of Dental Clinical Policies and Coverage Guidelines, refer to UHCprovider.com > Menu > Policies and Protocols > Dental Clinical Policies and Coverage Guidelines.
- For further CDT code description and information, please refer to the most current version of the CDT Dental Procedures Codes released by the American Dental Association (ADA).

Documentation Requirements

A comprehensive, detailed medical record is key to promoting quality care and improving patient safety. For the services outlined in the grid below, specific documentation that is needed in order to make a determination on coverage is listed in the Documentation Requirement column. Please submit this information with your request for coverage.

To ensure the best health outcomes for our members, we may periodically require providers to submit documentation for services that do not have specific documentation requirements listed below.
